

VATTENFALL (Swedish State Power Board)
PUBLICATIONS OF THE
SILJAN RING IMPACT STRUCTURE
Donated to the University of Oklahoma Youngblood Geology Library

- 1. Deep Earth Gas in Sweden: Background and Possible Prospects
January 1983, Report # 1, 178p**
- 2. Premises for Deep Gas in Sweden: Seminar in Stockholm
1983-11-18, January 1984, Report # 2, 183p**
- 3. Deep Gas Swedish Premises: Pilot Study, February 1984,
Report # 3, 91p**
- 4. Deep Gas Swedish Premises: The Siljan Ring Project --
Independent Expert Evaluation, November 1984, 63p**
- 5. Deep Gas Project: The Siljan Ring Structure--Summarizing
Report, January 1985, 19p**
- 6. Deep Gas Swedish Premises: The Siljan Ring Structure --
Investigations and Evaluations, January 1985, Report # 4, 127p**
- 7. Deep Gas Project--The Siljan Ring: Investigations and planning
work carried out in 1985, Report # 5, February, 1986, 44p**
- 8. Scientific Summary Report of the Deep Gas Drilling Project in
the Siljan Ring Impact Structure, January 1991, 257p**

OCCIDENTAL EXPLORATION AND PRODUCTION COMPANY
Publication

- 1. Geochemical Analysis of Some Surface Samples from the
Siljan Area, Sweden , February 1985, 163p**
